A positive force for litter prevention, waste reduction, and environmental beautification in Greenville County, South Carolina

OUR STORY

Keep Greenville County Beautiful was founded in 2008 by Dan Powell after he recognized how partnerships with other environmental organizations could create cleaner communities across Greenville County. With his vision, KGCB spearheaded the Cigarette Litter Prevention Program, implemented recycling programs in 28 Greenville County Schools and six Greenville County Recreation District Community Centers, and much more.

OUR PARTNERS

VOLUNTEER WITH US

Sign up on our website to make an impact in our community!

Want to spend a couple hours beautifying Greenville County?

Sign up to volunteer.

Whether that's forming a group for a litter pickup, helping maintain a community garden, or beautifying a neighborhood with a mural, we are excited for you to join us!

Searching for a regular role?

Become a regular volunteer.

This can include leadership roles.

Adopt-A-Road.

Groups in the Adopt-A-Road program will be responsible for the road for a year with a minimum of one cleanup per quarter.

Apply to be a board member.

Online applications are accepted on a rolling basis.

OUR IMPACT

Collected over **600 lbs** of litter during the 2019 Great American Cleanup

Reduced cigarette litter at receptacle sites by over **85%**

Installed nearly **1,000** cigarette receptacles around Greenville County

Diverted over **1 ton** of paper from going to a landfill on our annual Shred Day

Joined forces with Litter Ends Here to reduce the Litter Index score on **55%** of surveyed roads in the past year

Increased beautification projects by more than **200%**

Placed several environmental art sculptures in Greenville

- Collaborate with private businesses to expand their recycling efforts
- Teach citizens to beautify our community through various litter pickups all year long
- Work with neighborhoods to develop and maintain community gardens, green space, and other community improvements
